

States available

Our technologists and product experts are working hard to make all states available in our offering. As we launch Joyn, we'll be rolling out states in phases. This map provides an overview of when states will become available. Check in with your underwriter or distribution leader for more insights.

 general inquiries: letstalk@joyninsurance.com | policy servicing: service@joyninsurance.com

Joyn Insurance Services Inc. is a newly formed Delaware-domiciled, licensed producer and general agent that operates under its "Joyn"™ and "Joyn Insurance"™ brands. Joyn is an insurtech enterprise that will be underwriting commercial insurance in the small and middle markets. Not available in all states.

States available by line of business

Our technologists and product experts are working hard to make all states available in our offering. As we launch Joyn, we'll be rolling out states and lines of business in phases. Check in with your underwriter or distribution leader for more insights.
