

States available

Joyn has taken a modern, integrated approach to building technology by creating a platform that allows our underwriters and the service team to make informed decisions fast. WHY JOYN? 1) our ability to quickly and competitively underwrite a risk based on its own characteristics; and 2) providing an admitted-like placement experience for non-admitted risks.

Joyn Insurance Services Inc. is a Delaware-domiciled, licensed producer, excess and surplus lines broker, and program manager that operates under its "Joyn"™ and "Joyn Insurance"™ brands. Joyn is a digital agency that underwrites commercial insurance in the small and middle markets. Not available in all states.

States available by line of business

Joyn’s broker partners can enjoy a faster, more accurate, and more transparent user experience that saves time while reducing costs and frustration. How? We built a technology ecosystem from the ground up that powers our underwriters.
